

A Legendary Asheville Bed and Breakfast Inn

Intimate and Romantic - The 1900 Inn on Montford invites you to be our guest and discover bed and breakfast comfort and hospitality with a warmth and graciousness that is reminiscent of Biltmore's Gilded Age.

The Inn is located in the very heart of the Montford Historic District. It exemplifies the Arts and Crafts style made popular in Asheville by noted society architect, Richard Sharp Smith, supervising Architect to Biltmore House. Illustrated in his publication of 1901, *My Sketchbook*, the house is considered to be one of his finest residential commissions. Today it is elegantly furnished with English and American antiques dating from 1730 to 1910.

All our eight rooms and suites have:
